

SENATOR SIMPSON: I wonder if Senator Syas would yield to a question.

SENATOR SYAS: I yield.

SENATOR SIMPSON: Senator Syas, does the co-introducer or introducers of this bill, have they agreed that you may withdraw the bill?

SENATOR SYAS: No. Do you want me to elaborate a little bit?

SENATOR SIMPSON: No, I don't need any elaboration. I only want the facts, then I would go to the rules and say that under the rules that it says in order to withdraw a bill where there is more than one signature in order to make the motion you must have the consent of the other introducers. So you only alternative would be to ask to take your name off the bill if you don't like this then.

PRESIDENT: Senator Syas, do you care to respond.

SENATOR SYAS: I wouldn't do that then I would be lost all together. I can move to indefinitely postpone it. I so move.

SENATOR SIMPSON: Mr. President, I would ask the same question on this bill.

SENATOR SAVAGE: You get the same answer.

PRESIDENT: Is that correct Senator Savage that your motion is made without the approval of the second or other persons signature that is on the....

SENATOR SAVAGE: That is correct, I said the same answer that was given on the previous bill.

PRESIDENT: I suppose the Chair could be permitted to observe that this has been an interesting morning. Under Section 11, page 27 of Rule 5; regarding the withdrawal of bills, it states (read rule). Now the Chair is aware that there is a little different set of circumstances involving these bills in that they were first introduced, the Chairs understanding for instance by Senator Syas and then Senator Savage, Senator Chambers asked to be listed on them later
